

A child's bedroom featuring a blue sofa with several patterned pillows. The walls are covered in a dense, leafy patterned wallpaper in shades of brown, green, and yellow. Two VELUX skylights are installed in the ceiling, providing natural light. A small white table next to the sofa holds a green cup and a small toy. The overall atmosphere is bright and cozy.

VELUX®

Manual Fresh Air Skylight Systems

Deck-Mounted and Curb-Mounted

Transforming spaces into favorite places.

Why skylights?

Daylight is powerful. It helps create a warm, inviting space while improving our overall well-being and decreasing our dependency on electricity. Skylights provide abundant daylight and fresh air, transforming the look and feel of an entire home. We're often asked, "Why skylights?" But with endless benefits to installing more natural light, the question should really be, "Why not skylights?"

Why VELUX?

For over 80 years, VELUX has pioneered the roof window and skylight market. Our focus has always been on creating the highest quality, most energy-efficient daylight products available. Take advantage of our experience and reimagine your home in daylight with VELUX skylights.

The Uniquely Essential Skylight

Watch your space fill with natural daylight and fresh, clean air with VELUX Manual “Fresh Air” Skylights.

1

Glass Skylight

The base of the VELUX Skylight System is our world-famous skylight! The manual venting skylight opens with an easy-turn handle for in-reach applications or a smooth-turning rod for out-of-reach applications.

5

Remote Control

While the skylight is manually venting, the included solar-powered shades of the Skylight System come with a pre-paired remote control for easy set-up.

2

Solar-Powered Shade

The included room-darkening skylight shade is solar-powered and offers total light control, increasing the Skylight System's energy performance up to 45% (actual percentage varies by skylight model and size).

3

Weathertight Guarantee

VELUX flashing is required to create a weathertight seal around deck- and curb-mount Skylight Systems, as well as to qualify for our 10-year installation warranty. **Flashing kits packaged and sold separately.**

4

Standard Safety Glass

Our Standard Safety Glass is a laminated glass that is safe for out-of-reach applications. It is double-paned with an argon fill to help reduce unwanted outside noise while providing a clear view of the skies above.

6

Insect Screen

Each venting Skylight System includes an insect screen to prevent bugs and debris from entering your home through an open skylight.

Complete light control.

Solar-Powered Shade Pairing

VELUX shades allow you to control the light, enhance your decor, and improve energy efficiency.

VELUX Skylight Systems include a **pre-installed Room Darkening, Double-Pleated Solar Shade** for the very best skylight experience.
