

VELUX®

The VELUX Sun Tunnel® Skylight with Wildfire Glass

Designed, Built, and Tested to Withstand Wildfires

Meets Class A
Burn Brand Test
ASTM E108

The Only Sun Tunnel® Skylight of Its Kind

The VELUX Curb-Mounted and Pan-Flushed Sun Tunnel® skylight with Wildfire Glass is a one-of-a kind skylight that meets California's strict building codes and national Wildland-Urban Interface areas.

- Features a fireproof tempered diamond wire flat glass, allowing it to pass an ASTM E108 Class A Burn Brand Test.
- Designed with a flat glass exterior to pass building codes and strict homeowner's association regulations, unlike traditional acrylic dome tubular skylights.
- Available for tile, shingle, and metal roofing installations
- Qualifies for "No Leak" Warranty
- The TZRL model comes fully packaged with flashing, to make for a quick and easy installation on shingle and shake roof assemblies.
- TZRQ Wildfire Glass Pan-Flushed model features pre-installed metal pan-flashing and flat glass exterior.
